Patons present a collection of your favourite designs in Baby Knitteds, reprinted in one complete book—each design giving you a choice of one of Patons four famous 3-Ply Baby Yarns . . . . .

These are the Patons Yarns for your choice—

**Patons Feathersoft Baby Nylon.** A fine, light Bri-Nylon yarn that’s easy to wash, quick to dry, non-shrink and incredibly long-wearing.

**Patons Baby Wool with Bri-Nylon.** A no-fuss blend of 80% wool with 20% Bri-Nylon. In six delicate shades, Patonised to resist shrinking.

**Patons 3-Ply Baby Wool.** All pure new wool for soft and cuddlesome garments. In white only. Patonised to resist shrinking. DYE LOTS! Always buy enough of the same dye lot at the one time for a complete garment, as a variation in dye lots may occur.

Retain ball bands until the garment is completely knitted, and in the event of an enquiry concerning the purchase submit all ball bands.

HOW TO CHECK YOUR TENSION—Before you commence knitting, check your tension carefully; on this depends the success of the finished article. Take the yarn and needles specified in the instructions, cast on 20 stitches, work 20 rows in plain smooth fabric. Lightly press work. Check the tension by placing an inch tape across the stitches, count the exact number of stitches to one inch and compare with the tension given in the instructions. All tensions are measured over plain smooth fabric, lightly pressed. If your tension is too loose, try a size finer needle. If your tension is too tight, try a size coarser needle. If there is more than one size of needle recommended in the recipe and you alter the needles to obtain the correct tension in plain smooth fabric, corresponding alterations must be made to the needles throughout the instructions.

When the instructions read, "Cast off 2 stitches, K.2" (or similar stitches), the stitch on the right-hand needle, after casting off, is counted as one stitch.

KNITTING STITCH

Knitting Stitch is a stitch worked directly over each knitted stitch, with a contrasting colour to represent the same knitted stitch as before.

Each square of the graph represents one stitch.

Insert needle from back of work, in the centre of any stitch and draw through. * Insert needle from right to left, underneath the two loops of the same stitch one row above, and draw through, then insert needle back into original place where needle was first inserted, draw underneath the two loops still working from right to left and out into the centre of the next stitch (thus completing one knitting stitch), repeat from * to end of graph pattern.

All rows of pattern are worked from right to left, then from left to right, till the motif or pattern has been completed.

Very satisfactory results may be obtained by working "4 ply" on "3 ply", "4 ply" on "4-ply"; "Azalea" on "Azalea", but do not use "3 ply" on "4 ply".
